

Website artwork submissions

Description

Howdy Folks,

So the framework of the new websites is already under construction and we want to give you the opportunity to submit artwork (banners, backgrounds, etc.) for the [Frank the Baptist](#) and [Telegram Frank](#) sites which could possibly be rotated between different submissions every couple of months in the future depending on the volume we receive from fans and friends. The framework of the sites enables change that allows involvement from all of you.

The doors are open and anything goes, all styles are welcome so feel free to send along things you feel capture the atmosphere and vibe of FTB or TF.

Send a private message on Facebook or to: frankthebaptist@yahoo.com

Cheers,

The Armada
